finally the forgettable paint

We think that a good paint is something you should be able to forget about, not worry about.

We think you should be able to forget about things like second coats, lap marks that show and undercoating. Or odor, brush or roller drip or old colors and wall imperfections that most paints can't hide.

Well, we've got it. A one-coat Interior Latex Wall Decoration in 680 sprightly colors. And after you've applied it, the only thing you'll remember is how nice it looks.

American Hardware wants you to remember only the important things.
